

Your first resume starts with what you already do.

School projects, clubs, sports, volunteering, caregiving, and family responsibilities can become clear evidence of reliability and teamwork.

EXAMPLE TRANSFORMATION

See what a stronger bullet changes

Illustrative example - not a client result

BEFORE

Helped at community events

AFTER

Assisted with event setup, greeted attendees, and helped keep activities organized during community events.

The stronger version names visible actions without inventing a title, number, or result.

FOCUSED PAID HELP
